### ***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance:

Claims 98-115 are allowable.

The following is an Examiner's statement of the reasons for  
allowance for independent claim 98.

The present invention is directed a system for creating web pages from  
remote team members, the web pages including URLs specifying the location of  
a plurality of resources. Said system being activated by a tag embedded in an  
html document that when activated automatically causes the web pages to be  
generated based on a managed UPN/URL link structure, inter alia, "a UPN/URL  
database server, in communication with said first Internet-enabled information  
server, for storing and managing a UPN/URL link structure for each consumer  
product registered with said Web-based consumer product marketing  
communication network,

a set of URLs specifying the location of a plurality of CPI resources located on  
the WWW, for programming said plurality of independently programmable display  
modes of said MMVK created and deployed for the consumer product identified  
by said UPN;

***Response to Amendment***

The examiner is in receipt of applicant's response to office action mailed 12/27/2007, which was received 6/29/2007. Acknowledgement is made to the cancellation of claims 1-97 and the addition of claims 98-115. As a matter of record the amended title is entered. The examiner has carefully considered applicant's remarks and amendment and finds them to be persuasive. Therefore the following reasons for allowance are presented.

**EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Perkowski on 9/12/2007.
